## **President's Message**

*Happy New Year and welcome 2014! Now it is time to firm up plans for the PSLRA events this year. Our club has a lot of events, which means it takes a lot of volunteers to run them all. Please take the time to look over this year's events on page 5 and see where you can help out – feel free to contact the chairs to volunteer.*

*Thank you Bea and Nina for putting together another fun PSLRA Holiday Party! This was the first time I was able to attend the Holiday Party at Julie Germano's facility. It was a lot of fun for the Labradors and folks. The food was wonderful and the games were a ton of fun!*

*I also would like to thank Mary Jane Sarbaugh for taking on the task of forming a COE Committee to update the Breeder List requirements and the Code of Ethics. PSLRA members listed on the Breeder List please take time to read the changes; they are in the meeting minutes. The changes to the Code of Ethics shown on pages 8 and 9 will be voted on at the PSLRA annual banquet. I'm proud of the club for taking a high road to the breed's health clearances in hopes of making our breed over all healthier. We must not forget that we are stewards of the Labrador breed and we must breed responsibly!*

*PSLRA has its annual banquet coming up January 11. I hope to see everyone there. For details please see the flyer on page 3 of this newsletter.*

*In closing I would again like to thank PSLRA for giving me the opportunity to be the president – it was quite the experience. Now I plan to play and train my upcoming youngsters, which is my favorite thing to do!*

*Cathy Hakola  
PSLRA President 2013*

*Saying of the Month: "You should respect each other and refrain from disputes; you should not, like water and oil, repel each other, but should, like milk and water, mingle together." Buddha*

**club business****December board meeting minutes**

PSLRA board meeting Saturday, December 7, 2013, at Julie Germano's training building, Arlington. Board members present were Cathy Hakola, Cindy Freeman, Kimberly Dotson, Nina Mann, Julie Germano, Brenda Hubbard, Fred Drennan. Members present were Jennifer Hajny, Colleen Doll, Lucy and Dean Logen, Christina Bunn, Jim and Cindy Olsen, Al and Cheryl Clifton, Bea Ferguson, Angela, Blane, Paige, and Roman Rogalla, Marlys Swanson, Linda, Hugh and Olivia Maffet, Gary Hubbard.

**Officer Reports**

*President:* Cathy Hakola called the meeting to order at 1:50 and reported that she is stepping down as president in order to have more time to train her young dogs.  
*Secretary:* Jan Palumbo sent word that the judges for the March tracking test have been confirmed.

*Treasurer:* Thank you, Linda Maffett, for chairing the very successful specialty, which made money this year, primarily thanks to the stud dog auction. Current balances are:

Checking	\$21,241.73
CD	\$ 3,830.55
Juniors	\$ 1,842.07
Rescue	\$ 3,179.99

**Acknowledgments**

Thanks to Jan Skewes whose hard work resulted in a significant decrease in our insurance rates this year. Thanks to Kristi Clark and Franna Pitt for chairing the fall agility trial, to the nominating committee for their hard work, and to Bea Ferguson and Nina Mann for chairing the holiday party.

**Committee Reports**

*ShowNGo:* The event is filling, but still has many openings.

*Annual Banquet:* It will be in the same place as last year.

*Sportsman's Show:* A sign-up sheet for the show was passed around.

*Seattle Kennel Club booth:* Cathy said we are lacking a chair and Brenda Hubbard volunteered.

*Nominating Committee:* It was reported that Fred Drennan, Julie Germano and Franna Pitt will be leaving the Board this year. Cathy Hakola is stepping down as President, but will remain on the Board. Nina Mann is stepping down as Vice

President and will also remain on the Board. The Committee nominated Kimberly Dotson as President and Marlys Swanson as Vice-President. Jennifer Hagny and Angela Rogalla are new Board member nominees. Cathy asked for nominations from the floor and Linda Maffett and Liz Moir were nominated. The nominations are now closed and will be voted on at the annual meeting in January.

*Code of Ethics:* Cathy reported that COE chair MJ Sarbaugh has submitted a final draft of the Code of Ethics that will be submitted to the membership for approval at the January meeting. Cathy is working on the calendar for next year and will ask Stephanie to put it up on the web site as soon as she has finished it.

**New Business**

—Fred Drennan discussed the March Tracking Test.

—New members Al and Cheryl Clifton introduced themselves and said this is their first club event.

Meeting was adjourned at 2:20 PM.

As there was no quorum at the meeting, no votes were taken, but following the meeting, the Board voted by email to implement the changes to the Breeders Directory effective January 1, 2014. The changes are as follows:

\*Require at least two full years membership in PSLRA prior to being eligible (or have been a member in good standing in another Labrador Retriever Club for at least two years).

\*Require two sponsors prior to being eligible to be on the list.

\*Require at least once each year volunteering at a PSLRA event or serving on a PSLRA committee.

\*Work out a system to have the volunteer committee service be self-reporting (we have ideas for this)

\*Breeder's List would be updated once a year at membership renewal.

No change in fee.

The Board also voted by email to present the draft of the revised Code of Ethics to the membership for approval at the January meeting. A vote of the members present will be taken.

# Optigen 20/20 Clinics

It's very hard to collect 20 dogs that need PRA testing at our September Health Clinic. That's why we discontinued it. Anyone who has a dog that needs to be tested should take advantage of the Optigen Discount days that occur occasionally during the year. The winter days are coming up!

January 13, 2014 through January 27, 2014 - Winter Discount Days - code SNOW14

“OptiGen will be offering our Winter Discount Days promotion for online entries starting January 13 to January 27. Entries need to be made during that time using the code Snow14 for the maximum discount of 25 percent. Clients will have up to 30 days from the date of their online request to get samples to OptiGen for testing. For more information, please contact Becky or Darlene at 607-257-0301 or email genetest@optigen.com or darlene@optigen.com.” This is exactly the same discount we could offer at our clinic, so take advantage of it!

## Wanted: Veteran Winners

IF your veteran Labrador earned a title in 2013, it is time to brag. Please send me the dog's full name, title earned and birth date. I am searching for the oldest dog to earn a performance title for our trophy to be presented at the banquet. Please let me know as soon as possible. Send your information over the chat list or e-mail me privately at wdsato@cablespeed.com. It is always a delight to hear about our old dogs still going strong! Terrie Sato

**BEGINNER STAKE AND BRIEF EDUCATIONAL OFFERINGS WITH Q&A STARTS AT 9:30 A.M.:**

**Beginner stake:** For handlers with puppies [over 3 months] or dogs new to retrieving (that have not retrieved birds). PSLRA strongly recommends starting with the educational offerings- the 'stake' will begin after the educational sessions are over.

- Basics of field obedience
- Popper gun management/gun safety issues
- How to work a winger
- What a judge is looking for at the line

The beginner stake goal is to excite your dog, work on retrieving a bird at short distances, and familiarize them with birds, duck calls, pistol shots. **If you are not sure where to start, this is the place. Bring a long line or lead.** If your dog gets it, move up to the retriever stakes, and a live shot bird.

**RETRIEVER STAKES WILL START AT 10:00 A.M.:**

- 1. Junior retriever:** For dogs who have retrieved birds before (meaning they will go out, pick up a bird and bring it back). Long leads are also welcome here, if needed. Distance of singles: 25-50 yards, flat cover. Single holding blind before the line. You'll be retrieving live shot pigeons or dead birds at this stake.
- 2. Senior retriever:** For dogs who have had more training, distances of up to 100 yards with some obstacles and cover. There will be multiple holding blinds before the line. This is an opportunity to work on problem solving and advanced line skills under test judgment conditions. You'll be retrieving live shot pigeons or dead birds for this stake.

**LOGISTICS:**

Fill out the attached form and bring it with you, or fill out one at the event (drop-ins are expected and welcome). Pigeons (live shot) are available for a price (TBD), until they run out. Check in when you arrive on the grounds to sign the release form, etc.

# Proposed Revision of the Code of Ethics

*For the last six months, Mary Jane Sarbaugh and her committee of 21 club members have been discussing and voting on updating the PSLRA Code of Ethics. This is the proposed revision that has resulted from their hard work. It must be voted on and approved at a membership meeting to be adopted.*

## PUGET SOUND LABRADOR RETRIEVER ASSOCIATION CODE OF ETHICS

The Puget Sound Labrador Retriever Association, recognizing our responsibility to the Labrador Retriever and the retriever breed enthusiast, sets forth this Code of Ethics, to reflect the desire of the membership to:

- ◆...Keep the Labrador Retriever sound, healthy and free of hereditary diseases.
- ◆...Maintain the working ability of the Labrador Retriever.
- ◆...Conform to the American Kennel Club's published Standard of the Breed.
- ◆...Be honest in the evaluation of animals used for breeding and/or offered for sale.
- ◆...Exercise truth in advertising.

As an aid to evaluating the suitability of stud dogs and brood bitches, we recommend that members only use stud dogs and brood bitches that have met the following requirements:

- ◆...Labrador Retrievers are registered with the AKC or a recognized foreign registry.
- ◆...Eyes are examined within 12 months of breeding by a board certified Ophthalmologist (ACVO) and found free of hereditary eye disease. These results may be submitted to CERF or OFA. After the dog is age 10, annual examinations are no longer necessary.

In the event frozen semen is used to produce a litter, the dog whose semen is used is required to have a current eye clearance. If, however, that dog is dead, the last clearance within 12 months of the dog's death or a clearance at age 10 will be accepted.

- ◆...At least one of the breeding pair will be DNA tested clear or certified clear by parentage of PRA-prcd. Certificate of clearances must be provided.
- ◆...At least one of the breeding pair will be DNA tested clear or certified clear by parentage of Exercise Induced Collapse (EIC). Certificate of clearances must be provided.
- ◆...At least one of the breeding pair will be DNA tested clear or certified clear by parentage of Centronuclear Myopathy (CNM). Certificate of clearances must be provided.
- ◆...Hips are certified to be fair, good or excellent and elbows are certified to be normal by at least one of the following methods:
  - \* Certification by the Orthopedic Foundation for Animals (OFA) for dogs/bitches 24 months of age or older.
  - \* A PennHip score in the 50th percentile or higher for dogs/bitches 12 months of age or older. Note: PennHip does not certify elbows
  - \* Certification by the Ontario Veterinary College (OVC) prior to May 2012
  - \* A Wind-Morgan report certifying that dogs/bitches are free of degenerative joint disease; applies only to frozen semen from male dogs deceased

Breeding on preliminary x-rays does not meet the Code of Ethics

- ◆...Are of sound temperament and free from disqualifications as described in the breed standard.

Members should guarantee the general health of their breeding stock and their puppies at time of sale.

Only those stud dogs, bitches or puppies who have met the above requirements and have certification may be promoted or endorsed at a PSLRA function. This would not include paid advertisements as in the Show Catalog, nor entries at our events, but would include fund raisers such as the Stud Dog Auction.

Only those litters whose sire and dam have met the above requirements and dam is owned by a member in good standing of PSLRA will be allowed to advertise in the Club's newsletter or be listed with the PSLRA Litter List. As an exception, non members may list only one litter and only if a PSLRA member owns either the stud dog or dam and both meet the above COE. After that they must become a member of PSLRA to list any litters.

Club members do not need to be on the Breeder's List to list a litter and may list as many as they want that meet the COE; however, if they list more than 2 litters a year, they DO need to meet the Breeder's List volunteer requirement.

Listings will be for 12 weeks only with no renewals. After twelve weeks the older puppies may be listed in the “older dogs being placed” category.

When listing a litter, fees and or proof of payment through PAYPAL must accompany all health certifications of the sire and dam. The fee to list a litter is \$25 plus a donation to PSLRA Rescue Fund after puppies are sold.

◆...Further, PSLRA urges all members to adopt a spay/neuter program, to sell companion animals on a limited registration, and to take back any dogs of any age if buyers can no longer keep them for any reason.

◆...A member should not supply puppies for auction or for resale to pet stores, laboratories or other wholesale outlets, in accordance with AKC guidelines.

◆...In addition to the above, PSLRA recommends that breeding dogs and bitches be examined by a licensed Veterinary Cardiologist and found clear of Tricuspid Valve Disease (TVD) by Echocardiogram.

PSLRA also recommends that its members obtain at least one of the following on their stud dogs and brood bitches before using them in their breeding program:

- ◆...A qualifying score in AKC Obedience, Hunt Test, Agility, or Rally.
- ◆...An AKC tracking title or certification as a Therapy Dog.
- ◆...A Bench Championship point in an AKC licensed dog show.
- ◆...A judges Award of Merit (JAM) or a placement in an AKC licensed field trial.
- ◆...A Retriever Club Working Certificate.
- ◆...The equivalent of any of the above by a recognized American or foreign registry/organization.

PSLRA strongly urges its members to exercise good sportsmanship at all dog related events. PSLRA is a volunteer based club and thus, rudeness in any form towards any of our volunteers is unacceptable behavior.

Failure to actively help in rehoming a dog placed in our rescue program and produced by a club member will result in banning the use of the litter list and/or being on the breeder's list.

LIST OF LITTERS BORN OR EXPECTED AS OF 12/31/13 that conform to the PSLRA Code of Ethics. Information is as submitted by owners and provided as a service to the public. Listings of litters are in no way an endorsement by PSLRA of any litter or any one litter over another. Litters are removed from the list after three months.

To publish **LITTER LISTINGS** in the newsletter, the following information **must be available**

Elbows and hips must be certified on both the sire and dam. Dogs and bitches whelped before 5/1/87 are exempt from elbow clearance requirements and will be marked OFEL N/A. Prelims are not acceptable! The board has recently agreed to accept PennHip clearances that score in the 50th percentile or higher, passing Wind-Morgan clearances, and clearances from the Ontario Veterinary College (OVC) in Canada. Female Labradors (bitches) with a Wind-Morgan, Penn Hip, or OVC clearance must not be bred before the age of 20 months, or 24 months with an OFA clearance. Male Labradors (dogs) with a Wind-Morgan or Penn Hip clearance must not be bred before the age of 12 months, or 18 months with an OVC clearance, or 24 months with an OFA clearance.

Eye clearances on both parents annually.

Heart clearances will be included in the listing at the discretion of the breeder.

A PSLRA member must own either the sire or the dam and must submit the listing for a non-member.

**Please contact Nina Mann if you need a Litter Listing form, to be used for ALL litters.**

All Breeders must update their litters each week with Nina Mann via email ([harbortop@netzero.net](mailto:harbortop@netzero.net)) as to the sex and color of puppies you have sold. The listing will be deleted after three months from the first litter listing date unless she hears from you.

1. Mail the completed form and a check for \$10 (operating expenses for Breeder Listing and Puppy Referral Programs) to **Nina Mann, 5706 312th St NW, Stanwood, WA 98292-9649.**
2. Your litter notice will appear in the next PSLRA newsletter if it conforms to the Code of Ethics.
3. If you know that the Litter Listing and the Puppy Referral programs have helped you sell your puppies, please send a donation to PSLRA (c/o Nina Mann) to show your appreciation. These donations will all be used for Lab Rescue.
