President's Message

June was a busy month for the club, and there are tons of people to thank for chairing and helping with our events.

Stephanie Harris and Sarah Fischer co-chaired our annual match. Despite the cool weather, people had a great time and enjoyed showing their dogs. Thanks to the co-chairs for all the work they did on this event to make it so much fun.

Cheri Levine and Donna Dykstra co-chaired the Spring Agility Trial. The entries were full, which speaks to the popularity of our event among the agility community. The hearty exhibitors endured frequent rain showers on Friday and Saturday, including a "gully washer" storm early Saturday afternoon. The storm was severe enough to force a delay in the trial, and some classes were canceled. Cheri, Donna, and their crew of PSLRA members who helped with the event are to be congratulated for doing so well

If you haven't already received your new 2012 membership booklet, you will very soon. Stephanie Harris, membership chair, put in extra hours to format the membership roster. Brenda Hubbard picked up the printed booklets and mailed them. All of this takes a lot of personal time, so please be sure to thank them in person or by email.

We are all getting excited for our Specialty, which is coming very soon—in early August. The closing date for entries is Wednesday, July 18 at noon. Don't procrastinate; get your entries in now. The event organizers and their committees are planning a lot of fun events associated with the specialty. This is in addition to two specialties, sweepstakes, junior showmanship, and two days of rally and obedience. But wait! There's more: Friday night potluck, Saturday night BBQ and Senior Showmanship, and a CGC test on Sunday. The Grill Masters will be serving breakfast and lunch on Saturday and Sunday, to benefit the PSLRA Junior Scholarship Fund. See, there is something for everyone, so please join us. Even if you don't enter an event, come and share in the friendly spirit of PSLRA.

If you would like to volunteer at the Specialty in some way, contact Linda Maffett at sunnydazelabradors@hotmail.com.

Following on the heels of Specialty will be another major club event in August: the Fall Hunting Retriever Test on August 25 and 26. Please volunteer to help in some way. We need people to take care of hospitality or to work as marshals, gunners, and blind planters. If interested, please contact Ron Perry at perrylab@comcast.net. We need all the help we can get to make the event break even (or better) financially.

Have fun training for whatever title or award you seek. As I tell my labs, "Just because you got a title doesn't mean we stop training!"

June board meeting

PSLRA Board Meeting on Wednesday, June 27, 2012, via teleconference was called to order at 6:32 p.m. Present: Stephanie Harris, Cathy Hakola, Gail Gegg, Nina Mann, Ron Perry, Jill Mahoney, Franna Pitt, Kimberly Dotson, Fred Drennan, Shelah Frey, Sarah Fischer, Nancy Harney, Tamaria Hartman, and guest Cheri Levine. Absent: Brenda Hubbard.

Officer Reports

President (Ron): The club had a very busy June and we are looking forward to the Specialty in August.

Secretary (Sarah): The match had a general membership meeting at the conclusion of the event. Minutes will be distributed by board email list.

Treasurer (Gail): General Checking Account: \$16,133.22; CD: \$3,824.64; Juniors: \$1,437.73; Savings, Special Rescue Fund: \$3,796.17; Overall Total: \$25,1919.76.

Acknowledgments

Stephanie Harris, Jessica Harris, Gail Gegg, and Sarah Fischer for help and assistance with the Match. Gail was especially helpful and brought a friend who was great at setting up during the morning. Thank you Jan Polumbo, Terrie Sato, Monica Lake and Jay Keiper for helping at the Match in obedience. Welcome to the club Monica and Jay; we really appreciate your help! Cheri Lavine and Donna Dykstra for a wonderful Agility Trial in very trying environmental circumstances.

Committee Reports*Spring Agility Trial & coupons:*

Thank you to Cheri Levine and Donna Dykstra for chairing the successful event. The trial reported over 200 ribbons returned as a donation to Old Dog Haven. Each of the ribbons returned will donate 50 cents. Cheri would like to thank Fred Drennan, Lee Foote, Gail Gegg, Nancy Harney, Mark Levine, Jean Liebman and Tom Auberry, Sarah Fischer, Nina Mann. The agility trial profit is approximately \$6,500.

Cheri reported there was an “Act of God” torrential downpour on Saturday. Other than on Saturday afternoon, the trial went very well and the grounds had wonderful drainage. The novice agility

trial and time to beat event were cancelled at the behest of the agility trial committee on Saturday due to an injury and standing water on the course rendering conditions too difficult to proceed.

The board is supportive of our committee’s decision to promote the safety and welfare of our participants by suspending and ultimately closing the event prior to the completion of Novice Agility and Time2Beat.

Fred Drennan moved, Nina Mann seconded, and it was voted and approved to Email a voucher good for one entry to each entrant in the Saturday, June 23, Novice Standard and Time 2 Beat cancelled classes. The voucher when submitted to the event secretary, will be good for either the PSLRA Fall 2012 Agility Trial or the PSLRA Spring 2013 Agility Trial.

Match:

The trial went well, the total fees for the event have not yet been tabulated. The prizes were wonderful and well received. A club membership meeting was held at the conclusion of the event with pizza provided by the club.

Specialty—2012 and budget:

KISS prizes will be special for winners this year. The Specialty and KISS budget will be discussed at next month’s meeting.

2013 Specialty judges:

So far all available judges have accepted, we need only an obedience judge. Also a judges liaison is still needed.

Rescue:

We had another happy rescue this month named Freddy who has found a wonderful foster home.

7:42 Brief Intermission due to teleconference technical difficulties.

Another Rescue Happy Ending

Buddy is a handsome young male Lab who was living with a family that did not know how to care for him properly. A friend stepped in and persuaded the owners to let her take Buddy and find a new home for him. She was quite prepared to work on Buddy's obedience training and help him to lose weight, but she soon realized that she did not know how to go about finding a new home for Buddy. In addition, Buddy was not neutered and had not had any veterinary care; his new foster mom was not able to afford these services for Buddy.

She contacted our rescue program for help, and we decided that the best course of action would be for her to sign up as an official SPDR foster home. That way we could provide Buddy with the veterinary care that he needed and then look for the

perfect new home for him. Buddy was soon neutered and vaccinated, had his extra-long nails trimmed, and was treated for a severe yeast infection in his ears. We were glad to put our rescue funds to such good use!

Buddy turned out to be excellent with other dogs, friendly with children and adults, and very eager to learn. A family that recently lost their previously rescued Lab to old age and was looking for a nice young male Lab to love has adopted him. Buddy is doing great in his new home and has many new friends and admirers. And there was an unexpected bonus for us: Buddy's foster mom had such a good experience with her rescue of Buddy that she has offered to continue to be a foster home for Labs!

Spring PSLRA Agility Trial

Cheri Levine Co-Chair, Spring agility trial

We had our fifth annual Spring agility trial in Monroe, Washington. We were very pleased to find out both Friday and Saturday were sold out! Even the secretary commented on the number of entries we had. PSLRA has always put on a first class trial and the participants living in the north end of Seattle enjoy the short commute.

The trial requires lots of volunteers and the club stepped up! Our thanks go to Julie Germano, Lee and Larisa Foote, Bea Ferguson, Gail Gegg, Fred Brennan, Sarah Fisher, Nancy Harney, Nina Mann, Jean Liebmann and her husband Tom, Ron Perry (for the great pictures). This is only for set up and take down. We had many club members who worked as many classes as possible. I can't thank the club enough for all their help. My huge THANKS go out to my co-chair, Donna Dykstra. She kept the trial running smoothly and kept me sane!

Adjustments were made for some participants

Julie Germano and Cheri Levine, trial co-chair

The weekend started on Friday with it raining all day. The grass started to get a little soggy but the City of Monroe built a drainage system under the soccer fields a few years ago so it drained well. Saturday, well, was another story. You all remember the thunderstorms that swept through the Northwest. We had to put the event on hold a few times and quite a few of the dogs were a little shaken up from the thunder. Even my bird dog, Strider, was staying in his crate shaking like a leaf. The downpours were too much for the soccer fields and the mud was getting deep. When you ran your dog, a mud stripe was on your back! The Labradors didn't mind the rain and this trial had more labs than I have ever seen! We finally had to cancel the last two runs. The grass was too dangerous and the puddles too deep. The equipment was drenched as were the judges from having to stand in the rain all day!

Sunday turned out sunny and the mud dried up. Even with the very poor weather we heard tons of compliments all weekend. One small thing really got a lot of positive feedback: instead of a small toy for each dog entered, we gave a package of poop bags. There was no excuse for not picking up poop.

We also were able to raise money for Old Dog Haven by having the participants donate their ribbons back to the club. Old Dog Haven will be receiving over \$200.00 from

Cheri Levine and Ginger warm up

PSLRA. The ribbons were beautiful, thanks to Winning Colors. Our club is known in the agility community for having the largest ribbons.

We hope to see you all again in our fall agility trial in November and next year in June.

Other Dogs That A Breeder Has Decided To Place

(Note) Owners of all dogs that are listed here have filled out and signed a PSLRA Listing Form disclosing to prospective buyers any known health and/or temperament issues and are on file with the Breeder Listing Chairperson.

These dogs are usually well socialized, frequently have some training, and are very desirable as companions. These dogs may not meet either owner's requirements for show or field performance or the code of ethics for breeding. Prospective buyers are encouraged to ask whether these older dogs have acceptable clearances on eyes, hips, and elbows and the reason why the dog is being placed. The listing of other dogs in no way constitutes an endorsement by PSLRA. Price will vary.

Dark Chocolate Female**10 months old**

Breezy is a very pretty little girl; her parents both have all their health clearances. Breezy already has an eye clearance and Optigen/PRA and EIC clearances. She is very good natured. We just don't have enough time to devote to her currently. She is leash trained, sits, and needs someone to continue her training. Must be spayed.
