## Specialty 2007

by Sharon Edwards

Well, Monday I slept until 9:30 and I was still exhausted! It is so hard coming down from a weekend like the one we all had. The laughs with friends, the making of new friends, the thrill of victory and the agony of defeat. We had it all, and then laughed some more.

Sitting with the judges at the banquet was a real treat. I felt like a mother hen puffing up my feathers, listening to all the wonderful things they were saying about the camaraderie, sportsmanship and just the general atmosphere of our club. They both said there is nothing like us anywhere else. How sweet is that? Sad for the other areas, but well done for us! They were amazed at the turnout for the banquet. I said, "Really? This is actually a smaller turnout than normal." They told me most clubs don't even host banquets anymore. If there is a dinner it is only for the judges and a few key players. Again, how sad, and how lucky we are.

## July board meeting minutes

The July 27 board meeting was held at the Factoria Red Robin. Present were: Stephanie Harris, vice – president, Jill Mahoney, treasurer, Carole Jensen, secretary, and board members Jennifer Hajny, Kristi Clark, Susie Sharp, Nina Mann, Jessica Meadows, Darlene Pado and Ron Perry.

**President's report:** No report

**Secretary's report:** June minutes were approved by email.

—The board approved the purchase of Rally equipment. We have previously borrowed the equipment needed to hold a rally trial.

—A small club merchandise order was approved.

—Approval was given to reimburse the person delivering the birds to the WC for gas by providing a spot for her tent at the specialty.

**Correspondence:**

Letter from AKC stating that one of our pairs of judges for the Fall Hunt test was not approved due to insufficient points. They have been reassigned to insure that their point totals will add up to the AKC requirements.

**Treasurer's report:** Current balance checking and savings is \$11,211.16.

—Jill has been researching the current rulings on filing with the IRS. First order of business is to get an EIN. It was M/S/V that Jill should proceed with getting an EIN.

**Acknowledgments:** Thank you to Julie Germano for the use of her building for the rally and obedience fun day. Thanks from Jill to Ron for helping her sort out some fiscal questions about the Spring HRT. Thank you to Stephanie for locating this month's board meeting location.

**Committee Reports:** No report from Budget Committee.

—Specialty Committee: It was M/S/V that Jill send Perrin Christensen a \$100 for the judges' gifts. It was M/S/V to place a \$30 limit on the remaining judges' gifts. Since we are faced with extremely high travel costs for our judges this year, it was

M/S/V to not spend any additional funds on decorations in an effort to control our costs.

—It was M/S/V to approve \$150 for the food for Friday Night get together at the Specialty.

—Judges Committee: Jennifer Hajny reports that her committee has been formed.

—Awards Banquet: No report. The deadline for canceling our deposits on two venues is coming up soon.

—Fall Hunt Test: Ron Perry reported that the judge issue has been addressed so our event approval should be coming soon.

—Obedience Fun Day: Carole Jensen reported for Jan that while attendance was small, it was a successful training day. It was suggested that we consider another date so as not to conflict with EGRC hunt test.

—Specialty Site Committee: It was M/S/V to form a committee to start looking for new sites for the Specialty. Marlys Swanson is to chair the committee.

**Old Business:** Stephanie Harris will post on the club chat list to ask members for feedback on whether or not a second Specialty is something that people would support. A discussion was held as to whether or not it should be a Back to Back Specialty with trophies and rosettes or a Bare Bones Specialty with no trophies and flat ribbons. No determination was made.

**New Business:** Sarah Fischer has volunteered to submit the Specialty judges' critiques to the *Lab Quarterly* in addition to printing them in the newsletter.

2007 Specialty

## 2007 All-Around and Versatility Labrador Awards

It's time to remind you all that the deadline for 2007 is fast approaching. The list closes on August 30, 2007, in order that we may have the list announced in the LRC National Specialty catalog. If I don't have your paperwork by August 30—congratulations on earning your place in 2008!—*Nina Mann*

As a reminder, the qualifications for an All-Around Award are as follows: Dog must have

- A) earned an AKC, CKC, international or other conformation championship
- B) earned an AKC, CKC or other Obedience or Rally, Tracking or Agility title
- C) earned a Working Certificate, or AKC, CKC, or other hunt test title or a JAM at a licensed field trial

### 2007 All-Around Awards:

Int CH Hyspire Great Scot JH RN  
 Int CH Windycanyon's Cosmopolitan Lad CD RA JH  
 Int CH Windycanyon's Fulla Jazz CD RN JH CC  
 Int CH Windycanyon's Sweetest Fuji CD RN JH CC

As a reminder, the qualifications for a Versatility Award are as follows: dog must have earned a title in any **three** of the

following areas: AKC, CKC or other Obedience or Rally, Tracking, Agility, Hunt Test or Field Trial or a Therapy Dog Certification from any organization approved by the Board of Directors.

### 2007 Versatility Awards:

Angelwood Magic Penny CD NAP JH WC CGC CC  
 Winroc Racey Rosalie AX AXJ NAC OJC NGC NTC RN Pet Partner

There seems to be a good deal of confusion about requirements for the Dog For All Reasons awards and the All-Around and Versatility Labrador awards. They are NOT the same. See the club requirements above. The award given at the National Specialty says: to every dog who competes in Conformation and two of the following with a qualifying score in one: Obedience or Rally, the Hunt Test, Tracking, or Agility, or who places in Conformation and competes in two of the following: Obedience or Rally, the Hunt Test, Tracking or Agility, not necessarily qualifying in any of them. The CC and WC are not eligible.

The principal difference is that a field title of some sort is required for our club's All-Around award but not necessarily for the DFAR award.

## Don't Forget

- Annual Eye Clinic - Sunday, September 23, at Cascade Kennels, Woodinville. The clinic offers Ophthalmologist eye exams, Cardiologist heart exams, Optigen blood draw and Microchipping. See flyer in this newsletter. Contact: Mary Jane Sarbaugh ([wyntercreek@whidbey.com](mailto:wyntercreek@whidbey.com))
- PSLRA Fall Agility Trial—in order to avoid a conflict with the LRC National Specialty, the Fall Agility trial has been moved to November 3 and 4 indoors at the beautiful facilities of Argus Ranch in Auburn.
- LRC National Specialty—October 6-12 in Hillsboro, Oregon.

## Working Certificate Qualifiers

Congratulations to this year's qualifiers. A wide array of ages and ability levels enjoyed the blue sky and sunshine. It was wonderful to have so many Labradors following their instincts and delivering their birds with enthusiasm!

Thank you to Judges Joni Welling and Kristy Clark and to Ray and Sharon Edwards for allowing the club to use their property again this year. Also thank you to head gunner Brad Aker, his crew and to event chair Jessica Meadows.

## Specialty 2007 *continued from page 1*

The judges' terrific weekend started with Jessica and JP's superb hosting. (MJ's daughter and son-in-law) I have been with Jess and JP and can understand how gracious women like these judges would enjoy the Dowdell's company. We are really fortunate to have them as judges' liaisons. Merlyn opened up her home to her longtime friend, our sweeps judge, so that added a warm and fun aspect to Susan's weekend. Merlyn also found a friend's home with a spare bed for our Obedience judge, since there isn't a place on the Island that will rent a room for one night this time of the year. Jess picked up and delivered the judges to their individual abodes, took them for walks on our beaches, and told them the history of our Island while they walked and dined.

MJ not only raised a wonderful liaison in Jessica, but sets a perfect example by doing so much for the show herself. Along with her other daughter Jennifer (assisted by son Cash), Merlyn (again) and Jill Mahoney, they set the grounds crew to work. Lots of people stepped up to help, some weren't even on the workers list. Hugh, Linda, Richard Parker, Sonya Dudder, Barb Ironside, Ron Perry, Marlys Swanson, Jan Skewes, Liz Skyllingstad...we even had laughs during set up. I still owe you one Hugh! Lucy set out her beautiful large flower planters to complete the show site.

Then Friday morning and off we go! Again it is the posse, MJ, Jill, Merlyn, and Jennifer who set up an outstanding morning hospitality area that was very well presented with a taste of something for all. Quite welcoming and nice.

Jessica Harris stepped up and out into the ring to belt out both the American National Anthem and the Canadian anthem. WOW! Fifteen years old and a cappella singing for a crowd. Not only can she pitch the softball she can pitch her voice!

Nina had our rosettes and sweeps money all in a row, so steward Craig Beecroft could easily get the show on the road.

It was a bit of a chilly wet morning. Thankfully Nina brought the club

merchandise to sell and Julie Kirk manned the booth, selling quite a few items to warm people up. Julie watched that booth selling clothing and catalogs for two days! Catalogs with ads accepted by Darlene Pado, and the catalog edited by Nina. Nina's name keeps popping up.

Sweeps done and it is lunch time. I am willing to bet my sweeps money, that no other club has served Crab Louies! Thank you Perrin and sister Kristen for setting up such a beautiful and memorable luncheon both days. The ladies commented on how cute were the notes in a bottle. Again memorable.

Right here I have to thank my husband Ray for borrowing a golf cart and schlepping it to Whidbey and back to Harbor Pointe golf course. Our judges didn't have to hike up the hill and back after being on their feet judging. The cart made it much nicer for our Rally and Obedience judges to attend the lunch. I hope Jan Palumbo, our obedience chair, got to ride in the cart too. It's a lot of work keeping both days of performance events running smoothly.

Friday evening social was another outstanding highlight! Jill did a beautiful job of presentation along with an assortment of healthy and sweet treats. People stood around chatting and snacking for quite a long time. No shortage and the table was always kept clean and refilled. A great party atmosphere.

It was fun to be chatting and chewing while part of the raffle was called. Hugh, Linda, Diane and Todd did such a great job getting raffle items that we had to do part of the raffle on Friday night otherwise we wouldn't have had time for the banquet Saturday. We would still be there checking our tickets. It made for fun entertainment while we socialized.

Saturday morning started with the juniors judged by our very own Vicky Hoskinson. Vicky is so good with the kids. I think we had one of the largest, if not the largest, entry in Juniors this year. Thanks also to Bob and Beckie Jensen for donating the toys so every junior left the ring with prize. Thanks to Edith Bryan we also held a successful CGC. She did a wonderful job organizing the test and having the forms and equipment ready. Thanks to Jan and (horrifying...I can't recall her name!) Jeanette? We appreciated Denise Stringfellow and her crew who gave up their day to judge the CGC.

The rest of the classes were judged, obedience awards given, BOB and all the non regular classes were done. That means Carole Jensen had moved all the perpetual trophies for the final time. How many times does that make Carole? A lot of labor and effort, collecting and then delivering those large fragile trophies. You are well appreciated. Shelah Frey added something new to all the class prizes by labeling each item with the name of the sponsor for each class. I appreciate that extra touch. So if you sponsored a class at the show, your name was not only in the catalog, but also in the hands of the class winner.

MANY people helped take down the show setup. It is such a chaotic time. I wish I knew all the names of those who helped. MJ and the posse were busy again, along with many club members. It helps that the raffle doesn't start until the area is broken down.

Then there was the banquet.

# Braggs

Clipper, **Winroc the Flying Cloud**, owned by Vicky MacLean, recently earned two legs on her NAHRA started retriever title and one towards her AKC JH title. Vicky MacLean.

**Shilshole's Shiftn Gears MH** earned his master hunter title at the Evergreen Golden Retriever hunt test July 7 and 8. It was a good test with well placed marks that required good dog work, and the weather was hotter than blazes. I am pleased that Clutch could hold his own on this weekend and finish his title. A title like Master Hunter doesn't come without a lot of help from friends. Thank you to the many friends who have met me in the early mornings or late afternoons and spent hours planning and throwing marks. Thank you to those who have made grounds and equipment available for training. Much appreciation to PSLRA and Rainier for their training days, and Clutch thanks the older dogs in our family for paving the way for him. Clutch is owned, trained and handled by Terrie Sato and I'm honored to be his human.

**Cedar Ridge Rock N Reba**, owned and trained by Marta Gould earned her Senior Hunter title on Saturday, July 7, EGRC Hunt Test at Bob Pepper's Farm in Carnation.

At the LRCC national specialty July 21, our **Can./Int. CH. Cougar Creek Takes One Ta Know One**, Wookie, received the first JAM from Marion Hopkinson! Wookie was bred by, handled, and loved by Cecilie Drege, Cougar Creek Labradors.

On July 21, **Angelwood Magic Penny** thrilled us by taking HIT from the Novice B class at the Canadian National. Thank you to all those that have encouraged us along the way. Penny is bred by Ann Leonard and owned and loved by Brad, Marlys, Daniel and Josh Swanson.

At The Labrador Retriever Club of Canada's National Specialty, our chocolate girl **Can.Ch. Cedarwoods Almond Roca Divine** was one of four to receive a Judge's Award of Merit out of over 40 champions! **Am.Can.Ch. Cedarwood Flt of the Phoenix** was Best Stud Dog.

**Duckndogs Arncha Exclusive**, Cooper, was WD on July 28 at the Pacific Kennel Club SHows in Surrey, BC. Cathy Mitchell

**Can Ch Fawnhaven Midnight Rocket RN SH** passed his first Master test at the RCLRC Hunt test on July 21-22. Nitro is owned by Richard and Christina Ramay.

The Koa Labradors had a wonderful well rounded weekend this year at the PSLRA Specialty! Kawai and **Can CH Koa's Top Gun, WC** teamed up to win their first ever first place in Novice Junior Showmanship, under Judge Vicky Hoskinson. She's still pretty thrilled! Later that day Goose qualified for his second leg of his CD (in his second attempt) also earning third place. One more to go! **Int CH Daybreaks Chocolate Splash at Koa, CD, JH, WC, CGC** thrilled me by having so much fun in the Open Chocolate class and earned herself a fourth place! It was a beautiful class and I was thrilled to be in the ribbons. and to top it off, the baby of the family, **Sharay's Six Shooter at Koa**, aka Agent Nyah, qualified for her Working Certificate under Judges Kristi Clark and Joni Willing. So needless to say, our dogs were successful in all the venues that they tried and I'm thrilled beyond words (okay almost!) with their effort and devotion and love them all to death!

In July, **Skyfire's Oughta Be Haulin CGC, WC**, Axle, thrilled us at the LRCC National by going Best in Sweepstakes under breeder Judge Nina Mann. He also kept a smile on our faces winning the 12-18 class at all three SDS Specialties. At the PSLRA Specialty, Axle was first in Open Chocolate, he and Travis earned a Rally Novice Leg then passed the CGC and WC tests. Axle is owned, trained, and bribed by Travis and Sarah Fischer.

**Skyfire's Cyclone in The Dark, WC**, Twister, strutted her stuff to BOS/BOW/WB at the BC All Retriever Club of Canada on July 22. She was handled beautifully in the afternoon downpour by Jessica Harris. Twister also passed the WC test on August 5. Twister is owned by Stephanie Harris, Jessica Harris, and Sarah Fischer.

**LIST OF LITTERS BORN OR EXPECTED AS OF 8/11/07 that conform to the PSLRA Code of Ethics.** Information is as submitted by owners and provided as a service to the public. Listings of litters are in no way an endorsement by PSLRA of any litter or any one litter over another. Litters are removed from the list after three months.

To publish **LITTER LISTINGS** in the newsletter, the following information **must be available**

- Elbows and hips must be certified on both the sire and dam. Dogs and bitches whelped before 5/1/87 are exempt from elbow clearance requirements and will be marked OFEL N/A. Prelims are not acceptable! The board has recently agreed to accept PennHip clearances that score in the 50<sup>th</sup> percentile or higher, passing Wind-Morgan clearances, and clearances from the Ontario Veterinary College (OVC) in Canada. Female Labradors (bitches) with a Wind-Morgan, Penn Hip, or OVC clearance must not be bred before the age of 20 months, or 24 months with an OFA clearance. Male Labradors (dogs) with a Wind-Morgan, Penn Hip or OVC clearance must not be bred before the age of 12 months, or 24 months with an OFA clearance.
  - Eye clearances on both parents annually. After the dog's examination at age 10, annual examinations are no longer necessary.
  - Heart clearances will be included in the listing at the discretion of the breeder
  - A PSLRA member must own either the sire or the dam and must submit the listing for a non-member.
  - **Please contact Jessica if you need a Litter Listing form, to be used for ALL litters.**
  - All Breeders must update their litters each week with Jessica Meadows via email (labradays@aol.com) as to the sex and color of puppies you have sold. The listing will be deleted after three months from the first litter listing date unless she hears from you.
1. Mail the completed form and a check for \$10 (operating expenses for Breeder Listing and Puppy Referral Programs) to **Jessica Meadows 17910 37<sup>th</sup> Dr NE, Arlington WA 98223**
  2. Your litter notice will appear in the next PSLRA newsletter **if** it conforms to the Code of Ethics.
  3. If you know that the Litter Listing and the Puppy Referral programs have helped you sell your puppies, **please send a donation to PSLRA** (c/o Jessica Meadows) to show your appreciation. These donations will all be used for Lab Rescue.
