Articles for the newsletter are due to the editor no later than the 20th of each month.

About the PSLRA

The Puget Sound Labrador Retriever Association is a nonprofit organization dedicated to promoting the Labrador Retriever as an all-around dog. It is our belief that a show dog that will not retrieve is not a true Labrador, that there is no reason why a hunting dog should not conform to the breed standard, and that both should be well-mannered family members. To these ends, we hold AKC-licensed Specialty Shows, Obedience Trials, Tracking Events and Hunting Tests. We also offer Fun Matches and Working Certificates. We sponsor educational seminars and clinics, publish a newsletter, and urge our members to breed only dogs that will be sound in both type and temperament and will contribute to the improvement of the breed. We encourage all of our members to show their dogs and work them in the field, in obedience, and in other areas to develop their full potential while working toward the club's All-Around Labrador Award or Versatility Award.

Newsletter Information

The Retriever Believer is published monthly by the Puget Sound Labrador Retriever Association in the interest of providing information and promoting the Labrador Retriever. Non-member subscriptions are $20.00/ year. Contributions in the form of articles, letters, or money are always welcome. It is our goal to provide an open forum where members can present their views to the club. If you have an article that might benefit the club, please submit it for publication. The Retriever Believer will publish brags (free) and litter listings ($10.00/ 12 weeks) for members. Non-members may advertise a litter ($10.00/ newsletter) provided a club member owns either the sire or the dam. All litter listings must comply with the PSLRA Code of Ethics.

Advertising

Advertising is available at $15.00/ half page, or $25.00/ full page. All advertising copy must be camera-ready and black and white.

Deadline

All materials MUST be received by the editor no later than the 20th of each month. Publishing of an article or advertisement does not constitute endorsement or agreement by the PSLRA. All submissions should be sent to:

NOTES FROM THE PRESIDENT

April 1999

Spring has finally arrived!

Along with the improving weather comes a bustle of club activity. Over the next five months we will host a 5 series, Working Certificate, Hunt Test, Tracking Test, Fun Match, and Specialty.

Did I miss anything?

Each one of these events requires countless volunteers. It is with the continued support of our members that we are able to succeed in hosting all of the above.

Big applause!

If you have an interest in helping out with any of the upcoming events and have not been contacted, please call the chair of the event or myself; we'll find the perfect spot for you. (No previous experience required).

As many of you know, we have lost a number of our older "doggie" family members recently. Some will be remembered in this newsletter, all will be remembered in our hearts.

I was not exempt from this harsh reality of life. My little Pogo died Sunday March 14, she was 13 years old. She was not a Labrador or even a Lab wanna be, that would have been beneath her. She was a Yorkie, and proud of it. Pogo ran this house like General Patton. There was no arguing with her. She was the boss and everyone knew it.

She was about the size of Toto on the Wizard of Oz, but more closely resembled one of the flying monkeys. She could have been the poster child for "bad hair day".

I will always smile when I remember, my 10 pounds of terror :)

The Old Man and His Dog

An old man and his dog were walking down a dirt road with fences on both sides. They came to a gate in the fence and looked in. It was nice, with grassy, woodsy areas-just what a huntin' dog and man would like-but it had a sign saying, "No Trespassing," so they walked on.

They came to a beautiful gate with a person in white robes standing there. "Welcome to Heaven," the robed man said. The old man was happy and started in with his dog following him. The gatekeeper stopped him. "Dogs aren't allowed. I'm sorry, but he can't come with you."

"What kind of Heaven won't allow dogs?" the old man said. "If he can't come in, then I will stay out with him. He's been my faithful companion all his life. I can't desert him now."

"Suit yourself," the gatekeeper said. "But I have to warn you, the Devil's on this road and he'll try to sweet talk you into his area. He'll promise you anything, but the dog can't go there either. If you won't leave the dog, you'll spend Eternity on this road."

So the old man and dog went on. They came to a rundown fence with a gap in it- no gate, just a hole. Another old man was inside. "Scuse me, sir. My dog and I are getting mighty tired. Mind if we come in and sit in the shade for a while?"

"Come on in," the man said. "There's some cold water under that tree over there. Make yourselves comfortable."

"You're sure my dog can come in? The man down the road said dogs weren't allowed anywhere."

"Would you come in if you had to leave the dog?"

"No sir. That's why I didn't go to Heaven. He said the dog couldn't come in. We'll be spending Eternity on this road, and a glass of cold water and some shade would be mighty fine right about now. But I won't come in if my buddy here can't come too, and that's final."

The man smiled a big smile and said, "Welcome to Heaven."

"You mean this is Heaven? Dogs are allowed? How come that fellow down the road said they weren't?"

"That was the Devil, and he gets all the people who are willing to give up a lifelong companion for a comfortable place to stay. They soon find out their mistake, but then it's too late. The dogs come here, the fickle people stay there. God wouldn't allow dogs to be banned from Heaven. After all, He created them to be man's companions in life. Why would he separate them in death?"

-- Dedicated to all those who have lost dogs recently. Remember the rainbow bridge. Our hearts are with you.

Your Board Of Directors is in the process of finalizing our Specialty judging panel for the next few years. We would like your imput on this important matter. In January, those members who attended the annual meeting had a chance to vote on a list of judges that had been compiled from a list of suggestions submitted by the membership. The judges listed below received the most votes. Please read the information about each judge and then vote for one choice in each category.

Voting can be accomplished in 1 of 3 ways. You can email your choices to Barb Ironside at Fawnhaven@aol.com. If you don't have email, you can call Barb and leave a message on her voice mail at 425-334-1076. The third way is to send your vote via regular mail (her address is in the membership book). In order to be counted, Barb must receive your vote by April 26, 1999.

A Tribute to

Am Can Ch Wine Valley Cellar Master CD, WC

"JJ"

12/8/84 - 3/11/99

He gave so much and asked so little.

"JJ" respresented several firsts for Fawnhaven Labs. He was our first champion, our first All Around Labrador, the sire of the first litter we bred. He sired champions, hunting dogs, search and rescue dogs, and many loving family companions. A son of his was Reserve Winners Dog at the 1990 LRC, Inc. National Specialty. Everyone who met him loved his personality. He was a great puppy sitter. Most of all he gave all of his love, unconditionally. He will be greatly missed.
