It's ALL -AROUND AWARD time again

Please note that you may claim an award for any dog you own or have bred that fulfills the conditions of a title in each category: Bench, Field, Obedience.

The rules are as follows:

You must submit copies of your certificates by September 1, 1993 (The reason for the early cutoff is to meet the closing date for putting an ad in the LRC, Inc. National Specialty catalog.)

In the case of co-ownerships, decide among yourselves who is the principal owner or breeder. The award will only be given to one. If you both wish a plaque, however, the second owner/breeder may get one by opting to pay for the second one himself.

Members who join the club with dogs that already qualify for All-Around awards may put in for them for their dogs but must pay for their own plaques. We are delighted to honor the dogs' accomplishments regardless of the year in which they were achieved, but since this is a club award, at least one title must be earned while you are a member if the club is to pay for your trophy.

1993 All-Around Award Winners to Date

CH Romany Fortuneteller CDX WC
Bred/Owned by Sandy Stanley

Am Can CH Chelon's Irish Mist CD WC

Notes from the Canadian National Specialty

As is usual at specialties around the continent, PSLRA club members were there in the wind, rain, cold and even snow in July! and took home their share of the ribbons.

Sweepstakes was judged by Sharon Grieves of Winnebago LRC. Majolyons Mister Pickwick, bred/owned by Dorothy Major, was 2nd in the 6 - 9 month males. Talimar Spit and Shine, owned by Sylvia Shandley, was 2d in 9 - 12 males. In the bitch classes Majolyons Talk of The Town, bred/owned by Dorothy Major, took first in the 6 - 9 month class and went on to Best in Sweeps. Her sister, Majolyons Ruby Tuesday, also bred/owned by Dorothy Major, was third. In the 12 - 18 month class, Romany's Flyway Gracie, owned by Sandy Stanley, was 2d.

Regular classes were judged by Carol Coode, Warringah Labradors, who also gave Mister Pickwick 2d in the 6 - 9 class and Talimar Spit and Shine 2d in the 9 - 12 class. In puppy bitches, Ruby Tuesday won the 6 - 9 class, with her sister, Talk of the Town, going 3rd. Romany's Flyway Gracie was first in the 12- 18 month class. Majolyons Ruby Tuesday was later awarded Best Puppy.

In the adult classes, Harbortop's Redwick Valhalla MH, was third in Open Black and Rocheby Joseph's Coat CD JH went from Open Chocolate to Reserve Winners Dog.

As one might expect in Canada, there was a very large Specials entry, from which Am Can CH Driftway Corroboree Am Can CD, was picked for one of the four JAMS handed out. How wonderful to see him back in the show ring again, completely recovered after his long period of illness. Canadian hospitality was as warm as the weather was cold fortunately, so it was a very enjoyable occasion, but snow in July is really going too far! There were many other U.S. dogs and people there, but I have confined my reporting to members' dogs only. I'm sorry we didn't stay for the WC tests so can't report on those.

BOARD MEETING HIGHLIGHTS - JULY, 14, 1993

Plans are being finalized for the Specialty Show on Saturday, August 7th. Everyone is reminded to come Friday evening for setup and especially stay to help clean up after the show. Also, everyone is asked to help keep the area clean by scooping poop whenever you see it. Hope to see you all there.

- Our fall Hunting test is scheduled for September 25-26th at Pepper's Farm in Carnation. If you'd like to volunteer to help, please call Katie Mearns. All 3 test levels will be conducted.

- Our first Tracking test is scheduled for Sunday, October 17th. Call Fred Drennan for more details and training dates.

- The deadline for submitting articles for the newsletter is the 25th of the month. Information received after this date will be held for the following month.

- Our annual eye clinic is scheduled for Sunday, October 24th. More details will be out soon.

We have several committee chairperson openings to fill. Please call Joni Willing if you are interested in supporting your club by filling one of these openings:

- Rescue - 1 person for each geographic area
- Equipment - Store Equipment Trailer and haul to events
- Public Education Coordinator

The next board meeting will be Wednesday, August 25, 1993 at Group Health Eastside, conference room D102. Hope to see you there.

Respectfully Submitted,

Barbara Ironside
Secretary

THE AMERICAN KENNEL CLUB

MEMORANDUM

June 1, 1993

TO: OFFICERS AND OFFICIALS OF RETRIEVER, POINTING BREED AND SPANIEL CLUBS HOLDING HUNTING TESTS

FROM: Performance Events Division

SUBJECT: Hunting Test Judges Qualifications

RETRIEVERS - Since January 1, 1993 and continuing:

The two judges of each test level (or each division of a test level) must have a combined record of having judged four (4) assignments in licensed tests prior to the test they are to judge.

POINTING BREEDS - Since January 1, 1991 and through December 31, 1993:

The two judges of each test level (or each division of a test level) must have a combined record of having judged two (2) assignments in licensed tests prior to the test they are to judge.

After January 1, 1994, the combined record requirement increases to four (4).

The following applies to both Retriever and Pointing Breed Judges:

1. Credit for an assignment maybe earned by serving as an apprentice or attending an AKC seminar.

2. Credit for seminars will only be counted once, but each apprenticeship earns one (1) assignment.

3. One of the two judges must have judged in the level to be judged except judges with assignments in higher levels may judge a lower one without having judged that particular level before.

SPANIELS

There are no current qualification requirements, but, after January 1, 1994, the two judges of each test level must have a combined record of having judged assignments in at least two (2) previous licensed tests. The points stated above for Retrievers and Pointing Breeds (items #1 through 3) will also apply to Spaniel tests.

THE AMERICAN KENNEL CLUB
COMMUNICATIONS DIVISION

June, 1993

Dear Club Secretary and Public Education Coordinator:

The American Kennel Club is pleased to announce the availability of a new video which is targeted for the general public: "*A Beginner's Guide To Dog Care and Training.*"

In this thirty-minute instructional video the new puppy or dog owner will learn about the basic care and training that every dog deserves. Topics included in "*A Beginner's Guide To Dog Care and Training*" are: Preparing Your Home For A New Puppy; Nutritional Information; An Introduction To Veterinary Care; and The Basic Commands: Sit, Down, Stay, Come and Heel.

While most of your club members are long-time dog owners and won't need this video to help raise their dogs, this may be a great resource to share with members of your community who are learning about responsible dog ownership through activities that your club sponsors.

Your club may already be involved in the AKC's "Community Outreach Summer," and here is a perfect opportunity for your club to support these important educational activities. Perhaps you could donate a copy of this video to a local library, school and/or animal shelter. This would also be a great video to show at a local dog show.

We also recommend that your Breeder Referral Representative have a copy of this video to show prospective puppy buyers. Active breeders may want to give first time puppy buyers a complimentary copy of this video -- it could reduce the number of late night panicky phone calls breeders receive from new puppy owners!

The AKC will begin accepting orders for "*A Beginner's Guide To Dog Care and Training*" on June 15, 1993. **Please allow 4-6 weeks for delivery.** The video will be offered at a special low introductory rate of $9.95 plus $3.00 shipping and handling until September 1, 1993. We will also offer the video along with AKC's *Dog Care and Training Book* at a special package price of $17.95 plus $4.00 shipping and handling. Orders can be placed by calling (919)233-9780.

For information on this video or other AKC Public Education materials write to: AKC, 5580 Centerview Drive, Raleigh, NC 27606.

Sincerely,

Suzanne Lustig

TO ALL AKC CLUB SECRETARIES

In 1991, the American Kennel Club encouraged all clubs to investigate animal-related charities before they decided to donate funds. Since then, the AKC has received dozens of calls and letters from clubs and individuals who want to know which animal-related welfare organizations would put their donations to the best use.

AKC would like to remind you of the Canine Defense Fund, administered by the American Dog Owners Association in New York. The CDF has been used to successfully litigate several breed-specific dangerous dog laws, such as Broward County, Florida, Minneapolis, Minnesota, Memphis and Shelby County, Tennessee, and New York City, New York.

The Canine Defense Fund was also used during the discussions surrounding the San Mateo County breeding regulation ordinance in 1990 and 1991. Had this situation gone far enough to warrant legal challenge, the CDF was available for that purpose. The CDF is also being used now to address a cruelty law in Minnesota.

Should your club decide to make a donation to this cause, a check should be made out to the Canine Defense Fund and mailed directly to: **Canine Defense Fund, c/o American Dog Owners Association, 1654 Columbia Turnpike, Castleton, NY 12033**. If you have any questions about the CDF and its uses, you can contact the ADOA directly at **518-477-8469**.

For your information, a list of statewide dog federations has also been included. The purpose of such state organizations is to represent the dog fancy as a unified group to the state or federal government. These organizations also need funding to operate. AKC encourages all clubs to support their state federations. If your state does not have one, and you are interested in forming one, please call the legislative hotline 1-800-AKC-TELL and leave a message.

Thank you for your continued support and attention to canine legislation.

Sincerely,

Stephanie Robinson

For your calendar of events,

The Evergreen Golden Retriever Club has just received AKC approval to hold their first licensed AKC hunting test on September 11 and 12, 1993. At this test, Junior and Senior stakes will be offered. They will use the same mailing list that PSLRA does, so if you got our premium list, you will get theirs, but as they have only just received permission, they now have to get their judges approved, so don't expect to get their premium until AFTER ours!

AKC BOARD VOTES TO DEFER AND DELAY REVISED LABRADOR RETRIEVER STANDARD

New York, New York - July 14, 1993 - At its July 12, 1993 meeting, The American Kennel Club Board of Directors voted unanimously to defer and delay consideration of the revised standard for the Labrador Retriever for a reasonable time period not to exceed six months. This motion was made on behalf of the Labrador Retriever Club, Inc. through its president, A. Nelson Sills.

This motion enables the Labrador Retriever Club to submit proposed amendments to the revised proposed standard for a vote by its members. If any or all of those amendments receive a two-thirds vote of approval, the Labrador Retriever Club will submit those amendments to the AKC Board and ask for approval of the proposed revised standard as amended. If those amendments fail to secure the required vote of approval, the Labrador Retriever Club will advise the AKC and request the AKC Board vote on the revised standard without amendment.

In a related matter, the Board voted to refuse to entertain jurisdiction of the charges filed by David Schnare against the Labrador Retriever Club. Dr. Schnare had charged the Labrador Retriever Club with conduct prejudicial to the best interests of pure-bred dogs, dog shows and the AKC in the LRC's handling of the revised breed standard.

The Puget Sound Labrador Retriever Association is a non-profit organization dedicated to promoting the Labrador Retriever as an all -around dog. It is our belief that a show dog that will not retrieve is not a true labrador, that there is no reason why a hunting dog should not conform to the breed standard and that both should be well-mannered family members. to these ends we hold AKC sanctioned Specialty Shows and Obedience Trails, Fun Matches, Hunting Tests, Working Certificate Test, sponsor educational seminars or clinics, publish a newsletter and urge all our members to breed only dogs that will be sound in both type and temperament and contribute to the improvement of the breed.

We encourage all our members to show their dogs and work them in the field and in obedience to develop their full potential and work toward the club's All-Around Labrador Award.

Membership is open to anyone interested in Labrador Retrievers whether that person owns one dog, none, or many.

Annual dues are $15.00 for a voting membership, $20.00 for a family membership with two votes. Junior members, listed separately and receiving their own newsletter are $7.50.

The Retriever Believer is published monthly by the Puget Sound Labrador Retriever Association in the interest of providing information and promoting the Labrador Retriever. Non-member subscription rates are $10.00 per year. Contributions in the form of articles, letters, or money are always welcome. It is our goal to provide an open forum where members can present their views to the club. If you have an article or would like to write a letter that might benefit the club, please submit it for publication. The Retriever Believer will publish Brags and Litter Listings free of charge for members, non-member cost is $5.00 per submission. After October 1, 1992 all litter listings must comply with the PSLRA Code of Ethics. Advertising is available at $10.00 per half-page and $20.00 per full page. Deadline for submission is the 20th of each month. Publishing an article or advertisement does not constitute endorsement or agreement by the PSLRA. All submissions should be sent to the Editors, Brenda & Lance Manus, 26907 Border Way NE, Kingston, WA 98346. Phone (206) 297 - 4637.
